What We Believe

Our beliefs shape how we live and serve. We believe the Holy Bible is the authoritative word of God. It alone informs the way we view God, the world, ourselves, and others. [\[Read More\]](#)

ABOUT US

Our desire is to provide a place where people just like you can have a life-changing experience with God.

We hope to become the kind of church described in the Bible, where there's relevant teaching, heart-felt worship, honest

friendships, constant prayer, and compassionate care for those in need. We'd like to have the kind of contagious Christianity that can influence and encourage the entire community, one life at a time.

For purposes of connection and accountability, we're part of the **Church of God (Cleveland, TN)** and the **Association of Related Churches (ARC)**. ARC is a thriving church planting organization with the goal of planting new life-giving churches all around the globe. The Church of God is a Christian Pentecostal movement focused upon communicating the gospel in the power of the Holy Spirit. Presently, the Church of God has a world-wide membership of over 7 million with a presence in nearly 180 countries.

WHY WE EXIST

Our Core Values

Presence of God

The only real hope we have is in the supernatural presence of God, as He empowers lives, families, and communities. Nothing brings more joy to our Heavenly Father than when His children live life with Him. We are committed to cultivating and growing our awareness of His presence.

Prayer

Our house shall be called a house of prayer for all nations (Matthew 21:12-17). This is the passion of our church. Prayer is intentionally interwoven into everything we do. Our goal is to bathe every aspect of our church in prayer and to be totally dependent on God for the outcome.

Worship

We are worshippers. Worship is not a warm-up for the message. We worship with intensity, passion, and great emotion. Worship is not our duty or service, it is an opportunity to spend time in the presence of our King. Our very first ministry is unto the Lord in worship.

Teaching

The Springs Church is a teaching church - speaking the truth in love without compromise; ministering grace without legalism; providing practical Bible application for new believers as well as mature saints.

Serving

Just like our bodies are made of many parts serving specific functions, the church is made up of people with different skills, abilities, and gifts. Alone these pieces aren't very useful, but together we create something beautiful.

Family

There are only two ways to get into a family: You can either be born into it, or you can be adopted into it. God does both for you. It's called being born again, and it's called being adopted into the family of God. Join the family!

Culture Of Honor

As we honor God's presence and people, The Springs Church is committed to creating safe environments and relationships. Inspired by love and honor, people can take risks and authentically learn and grow.
